**REALFEEL™ Legacy, Vantage and Select  
Comprehensive Warranty Program**

**Lifetime Limited Residential Wear Warranty**

The vinyl layer of the floor plank is warranted by Stone Barn® Floors not to wear through under normal use for the life of the product. Vinyl layer wear-through is defined as 100% vinyl layer wear-through that exposes the core material over a minimum of 3% of the total installation. (Gloss reduction or surface scratches are not considered surface wear.) Dull finish can be corrected with spot or overall recoating care systems. If 100% vinyl layer wear-through is determined to have occurred, Stone Barn® Floors will arrange a pro-rated credit based on the terms outlined below in the section headed “Terms of Lifetime Limited Warranties”. This warranty is non-transferable and applies only to the original purchaser.

**This Lifetime Limited Residential Wear Warranty is made subject to the following conditions:**

1. The floor must be installed properly and according to Stone Barn® Floors’ installation instructions. Proper installation includes, but is not limited to the following:
  - a. If glue is used, glue entire floor with glue that meets or exceeds PVAC dispersion with a viscosity of 8000 +/- 1000 cpc spindle 6/20 at 20 degrees centigrade – density of 1.11 +/- 0.02 g/cm on a dry content of 48 +/- 1% (weight). Upon completion of glued installation, the floor must be allowed to set overnight for 24 hours before resuming normal usage of the room. The glue down method must be used if the flooring will be exposed to temperatures above 140° F (60° C) or below 32° F (0° C).
2. The flooring must be used only indoors in a climate-controlled area.
3. The flooring must be maintained in accordance with Stone Barn® Floors maintenance instructions.
4. This limited warranty does not apply to Stone Barn® Floors moldings and trims.
5. Installation of flooring that contains any manufacturing defect is not covered by this limited wear warranty.

The floor plank and/or tile is warranted to be free from manufacturing or material defects for the life of the product. Should a defect occur, Stone Barn® Floors will arrange a credit based on the original purchase of the product. Should a problem attributable to a manufacturing defect develop after flooring is installed, the cost of labor for repair will be covered by this warranty.

This warranty is not transferable by the purchaser of the floor.

Lifetime Limited Structure Warranty Coverage: Upon determination of a valid manufacturing defect, credit will be issued to the dealer and will be good toward the purchase of a replacement. When a defective product is installed, credit applies to material only and does not include labor since it is the responsibility of the installer to determine suitability of material prior to installation. Should a problem attributable to a manufacturing defect develop after flooring is installed, the Lifetime Limited Structure Warranty will cover the cost of labor for repair.

## FLOORS

INNOVATION ENGRAINED

### **The Lifetime Limited Residential Wear and Lifetime Limited Structure Warranty do not cover:**

1. Damage due to adhesives or tape, scratches, gouges, scuffs, punctures, cuts, indentations, burns, accidents, lack of proper furniture rests, such as chair pads, etc., rolling and/or non-foot traffic, or any intentional misuse of the product. Loss of finish gloss over time is consistent with normal wear & tear and is not a product flaw.
2. It is normal and expected for there to be color variations due to use of natural components, exposure to UV light and/or sunlight, and age of material. Therefore, color inconsistency between samples, replacement product or illustrations and actual product is not a manufacturing flaw.
3. Manufacturer makes no guarantee that Stone Barn® Floors products will match or coordinate with customer furnishings, trim, cabinetry, railings, etc.
4. Noncompliance with installation instructions and maintenance guidelines as recommended by Stone Barn® Floors. Manufacturer cannot assume responsibility for the suitability of flooring material and accompanying products for each individual installation, as manufacturer has no control over the installer's proper application. Should an individual piece be doubtful as to appearance or dimension the installer should not use this piece.
5. Cracking, warping, soiling, fading, improper maintenance or abuse caused by items such as roller skates, golf shoes or pets.
6. Floor covering installed in inappropriate locations is excluded from this warranty.
7. Gloss reduction or surface scratches are not considered surface wear. Dull finish can be corrected with spot or overall recoating care systems.
8. Damage to floor caused by flooring that is installed using the floating method that subsequently is heated to temperature above 140° F (60° C) or is exposed to temperatures below 32° F (0° C). Flooring exposed to these conditions must be installed using the glue down method in order to maintain warranty coverage.

### **Lifetime Limited Residential Waterproof Warranty**

The floor plank or tile is warranted to be 100% waterproof and the structural integrity of the floor plank or tile will not be significantly diminished by exposure to water for the life of the product. While moisture will not affect the floor's integrity, it is probable that, when excessive moisture accumulates in buildings or on building materials, mold (and/or) mildew growth can occur (particularly if the moisture problem remains undiscovered or unaddressed). Stone Barn® Floors moisture warranty excludes damage resulting from mold and/or mildew growth due to prolonged exposure to moisture. If the floor plank or tile is structurally impugned, resulting from exposure to water, Stone Barn® Floors will arrange a pro-rated credit based on the terms outlined below in the section headed "Terms of the Lifetime Limited Warranty". This warranty is not transferable by the purchaser of the floor.

### **20 Year Limited Residential Wear Warranty**

The vinyl layer of the floor plank is warranted by Stone Barn® Floors not to wear through under normal use for 20 years. Vinyl layer wear-through is defined as 100% vinyl layer wear-through that exposes the core material over a minimum of 3% of the total installation. (Gloss reduction or surface scratches are not considered surface wear). Dull finish can be corrected with spot or overall recoating care systems. If 100% vinyl layer wear-through is determined to have occurred, Stone Barn® Floors will arrange a pro-rated credit based on the terms outlined below in the section headed "Terms of 20 Year Limited Warranties".

This warranty is non-transferable and applies only to the original purchaser.

**How to Make a Claim**

Any claim made under either of these limited warranties must be made by contacting your retailer within 30 days after the basis of the claim is detected. In addition, any claim under either of these limited warranties must be made before the end of the applicable limited warranty period. Proof of purchase including the date of purchase, must be presented to make a claim.
