**REALFEEL™ Legacy, Vantage and Select  
Comprehensive Warranty Program**

**The Lifetime Limited Waterproof Warranty does not cover:**

1. Damage to surrounding structure, walls, subfloor, fixtures, furniture, underlayment, moldings, trims, subfloor heating elements, or anything that is not the floor plank or tile.
2. Damage resulting from mold & mildew growth due to prolonged exposure to moisture.
3. Flooring that is installed outdoors.

**20 Year Limited Waterproof Warranty**

The floor plank or tile is warranted to be 100% waterproof and the structural integrity of the floor plank or tile will not be significantly diminished by exposure to water for the life of the 20 year limited warranty. While moisture will not affect the floor's integrity, it is probable that, when excessive moisture accumulates in buildings or on building materials, mold (and/or) mildew growth can occur (particularly if the moisture problem remains undiscovered or unaddressed). Stone Barn® Floors moisture warranty excludes damage resulting from mold and/or mildew growth due to prolonged exposure to moisture. If the floor plank or tile is structurally impugned, resulting from exposure to water, Stone Barn® Floors will arrange a pro-rated credit based on the terms outlined below in the section headed "Terms of 20 Year Limited Warranties". This warranty is not transferable by the purchaser of the floor.

This 20 Year Limited Waterproof Warranty excludes all casualty events involving water coming in contact with your floor and failures normally covered by homeowner's insurance including, but not limited to, damages caused by flooding or standing water from leaky pipes, faucets, or household appliances.

Also excluded are damages caused by flooding or standing water from hydrostatic pressure or other casualty events.
